WHAT I FOCUS ON...

I have worked with various clients in the fashion industry. I am particularly experienced in shooting editorials, shoes and bags as well as social media content (photo and video).

SHOES

A focus of my work as a fashion photographer is shoes. I am experienced in photographing footwear in still life and on models.

FASHION & LIFESTYLE

Over the years I have photographed all kinds of clothing in various settings, ranging from more natural, lifestyle imagery to high fashion.

BAGS

Next to shoes, another focus of my work as fashion photographer is bags.

MY FOCUS

FASHION Photography

FOCUS: EDITORIAL / SHOES / BAGS. For online stores, social media and in-store displays. I am experienced in planning full campaign shoots from A to Z, starting with ideation and mood board creation, sourcing a team, executing the photography service and post-production.

CONTENT Creation

FOCUS: INSPIRATION AND ENGAGEMENT through photo and video. Whether it is content I produce for my own channels in collaboration with brands or as material for their social platforms, my work is always of the highest quality.

COACH Photography & Editing

FOCUS: EDUCATING OTHER ASPIRING PHOTOGRAPHERS in photography and editing. I strongly believe in sharing knowledge, supporting each other and giving back. This is why I have been working as a coach for the past 2 years, teaching other creatives how to improve their own photography and editing skills.

ELLE CROATIA

COOL SUMMER

THE CONCEPT OF THE FASHOIN STORY IS A REVIVAL OF THE SCUBA THEME WHICH HAS HARDLY BEEN REPRESENTED IN HIGH FASHION MAGAZINES IN THE LAST YEARS.

The editorial brought it back to life, even saltier, sandier and with lots of scuba equipment, which is an interesting contrast to high fashion swimwear like Valentino or Stella McCartney.
